

TX-INDUSTRY-CERTIFICATION and POST-SECONDARY-CERTIFICATION-LICENSURE-CODE

As a part of TX-INDUSTRY_CERTIFICATION, POST_SEC_LICENSURE codes were previously reported in P_GRADUATE17 and P_GRADUATE 18 tables. For P_GRADUATE19 forward, the POST_SEC_LICENSURE codes are now reported twice a school year within the PEIMS Fall and Summer data submissions. The tables containing POST_SEC_LICENSURE data are P_STU_POST_SEC_CERT_LIC20F and P_STU_POST_SEC_CERT_LIC20, respectively.

The code tables associated with these new P_STU_POST_SEC_CERT_LIC data tables are P_POST_SEC_LICENSURE, P_POST_SEC_LICENSURE19, and P_POST_SEC_LICENSURE20.

DATA VARIABLE DESCRIPTIONS:

TX-IndustryCertification:

The TX-IndustryCertification entry represents a single industry certification a student has received.

More than one industry certification may be reported for each student. For each unique industry certification earned by a student while enrolled in a particular LEA, the TX-IndustryCertification will be reported.

Effective dating is a method of tracking data changes over time. A new instance of the TX-IndustryCertification will be reported each time a student earns a post-secondary industry certification or license. With each new instance, a new date is reported in the EFFECTIVE-DATE (TX-DateCertEarned).

Data Element	Used by PEIMS Sub 1	Used by PEIMS Sub 3
	P_STU_POST_SEC_CERT_LIC20F	P_STU_POST_SEC_CERT_LIC20
EFFECTIVE-DATE (TX-DateCertEarned)	Yes	Yes
PS_CERT_LIC (POST-SECONDARY-CERTIFICATION -LICENSURE-CODE)	Yes	Yes

EFFECTIVE-DATE (TX-DateCertEarned) indicates the date upon which the associated data value (s) is/are considered to take effect, or the associated data value(s) change(s).

For the TX-IndustryCertification entry, the EFFECTIVE-DATE reflects the date the student received the industry certification.

POST-SECONDARY-CERTIFICATION-LICENSURE-CODE:

Indicates a nationally or internationally recognized business or industry certification or license earned by a student. The industry certifications are limited to the choices in code table P_POST_SEC_LICENSURE(YY).

The following table illustrates when an earned Industry Certification is reported for the 2019-2020 school year.

		Then the Industry Certification reported in:	
Type of Student	If an Industry Certification was earned:	PEIMS Fall Submission (Sub1) P_STU_POST_SEC_CERT_LIC20F	PEIMS Summer Submission (Sub 3) P_STU_POST_SEC_CERT_LIC20
Currently enrolled student or 2019 graduate	In any previous schoolyear *	X	
Currently enrolled student or 2020 graduate	Between September 1, 2019 and May 31, 2020		X
Currently enrolled student or 2020 graduate	Between June 1, 2020 and August 31, 2020	X	

* **Note:** The PEIMS 2019-2020 Fall submission is an opportunity to "catch up" on reporting industry-based certifications earned by students in prior school years that have not yet been reported to TEA.
